## IMPORTANT INFORMATION

If the name and account number of a beneficiary and/or name and identifying number of a financial institution are provided, we and other financial institutions may process the payment order (wire transfer) based upon the account number (beneficiary) and/or identifying number (financial institution) alone, even though the number may identify a person or financial institution other than the person or financial institution named.

You agree to the terms of "Regulations Relating to Fund Transfer" provision of the Credit Union's Truth-In-Savings Disclosure. You also agree that the Security Procedures contained within, including all call back procedures required by the Credit Union, must be satisfied before the Wire Transfer Request is considered complete. Digital signatures not accepted.
